SQM2022

Bulletin #2

February 10, 2022

Second announcement of SQM2022

In-person! But also 'online' available.

We have decided to hold the conference in a hybrid type, which includes not only in-person but also online participation. The decision was established based on the consideration of the current COVID-19 pandemic situation, especially of the omicron variant.

The conference will be fully streamed and the online participants will be allowed to give talks as a speaker or discussions. According to shift to the hybrid type, the conference schedule is re-arranged as below:

Original Event Schedule: June 13-18, 2022
Modified Event Schedule: June 13-**17**, 2022

Even though the conference allows the online-participation just in case, we still believe that we could have the best offline conference with your in-person participation.

Registration and Payment

Registration will be opened in the indico https://indico.cern.ch/event/1037821 on **February 10, 2022**. The early registration will be closed on **April 30, 2022**, while the final deadline for the registration is **May 20, 2022**.

The conference fee is **420 EUR (550k KRW)** for **early registrations** and **500 EUR (650k KRW)** for **regular registrations**. Additional ticket for an **accompanying person** including reception and banquet is **110 EUR (150k KRW)**. For those who want to participate in the conference online, the fee is **150 EUR (200k KRW)**. Please note that there will be no offline registration on site.

Abstract Submission

The abstract submission will be opened in the indico registration system for the submission of abstracts of parallel talks and posters.

Registration and abstract submission starts Feb. 10, 2022.
The abstract submission ends on Mar. 15, 2022.
Notifications about abstract acceptance will be done on Apr. 20, 2022.

Support for Young Participants

Students and participants who have received their PhDs within the past three years are invited to ask for support. Applications for the support can be submitted by the application form on the indico page with the **cover letter**, **applicant's CV**. After that, the **reference letter** should be sent to the email:
sqm2022-student@hipex.phys.pusan.ac.kr

Student support request deadline: Mar. 15, 2022.
Student support acceptance notification: Apr. 20, 2022.

Important dates

- Registration and student support request opening: Feb. 10, 2022
- Abstract submission opening: Feb. 10, 2022
- Abstract submission deadline: Mar 15, 2022
- Student support request deadline: Mar 15, 2022
- Abstract and support acceptance notification: Apr. 20, 2022
- Early registration deadline: Apr. 30, 2022
- Registration deadline: May. 20, 2022

While we are looking forward to welcoming you to Busan, please do not hesitate to contact us at sqm2022@hipex.phys.pusan.ac.kr for any additional information and support you may need to prepare your attendance to SQM2022.

With best regards,
The SQM2022 Organizing Committee

PS. We really hope and plan to have the conference with in-person participation. We're discussing the exemption of the 7 days quarantine for immigrants. Please follow the information on our website and the next versions of the bulletin.
